The Doctor of Nursing Practice (D.N.P.) Program is a clinical doctoral program for registered nurses who are looking to further their education. An alternative to research-focused doctoral programs, the D.N.P. builds upon a traditional master's program by providing education in evidence-based practice, quality improvement and systems leadership, in addition to other key areas.

Program Description
- Emphasis of the degree track is designing and critiquing programs of care delivery that significantly impact positive health care outcomes
- Program is designed to prepare nurse leaders to work at the highest level of nursing practice, in such areas as: Clinical Scholarship, Evidence-Based Practice Scholarship, Health Care and Health Policy Leadership, Quality Improvement Leadership and Informatics Leadership
- Requires 38 credit hours
- Begins each summer semester (June)
- 2 ½ - 3 years full-time and 3 ½ - 4 years part-time tracks available
- Online program curriculum
